

TL-LITHAL / TL-LITLED Gooseneck Task Light

Product Description and Features:

Available in **Standard** and **LED** versions, with cast weighted base or Trac-mount adapter.

Standard: High Intensity (5-watt Halogen) with permanently attached gooseneck with a specially designed, heat-dispersing hood.

Std version with 5-watt halogen features a full range dimmer.

LED: LED Lampset with three-way rotary switch enables user to toggle between white light and red light output, or turn it off.

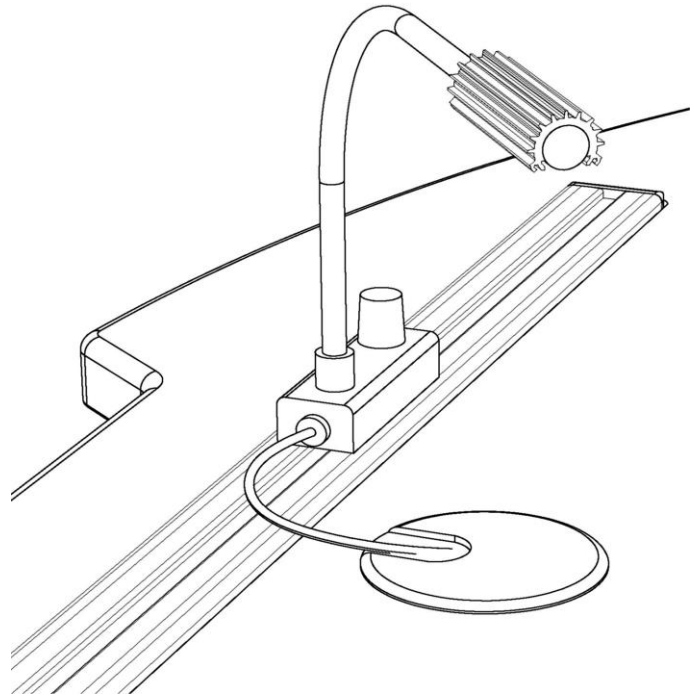

Long life: The LEDs in the TL-LITLED remain useful for over 10,000 hours of operation

LED version is UL Listed.

Both versions available with Euro style power supply.

Made in USA.
