

AC-CUP-B – Cup Holder

PRODUCT DESCRIPTION:

Low-profile, retractable design does not encroach on under-counter leg space.

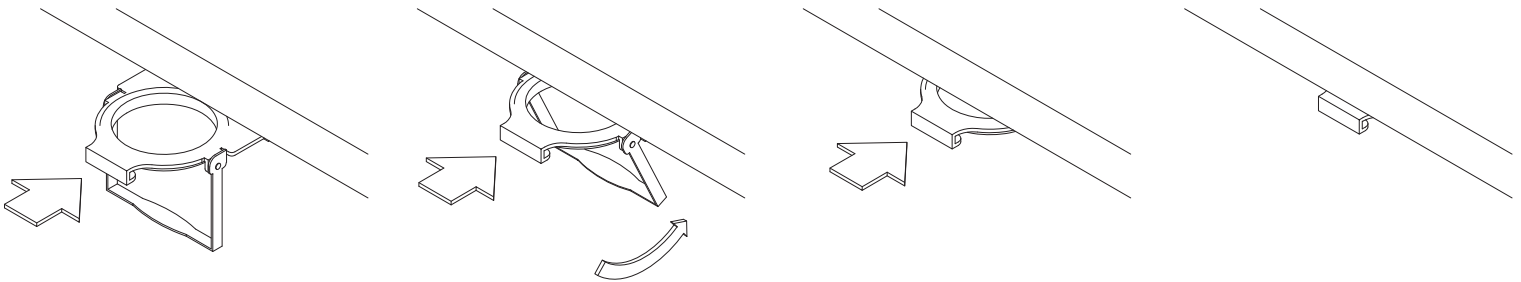

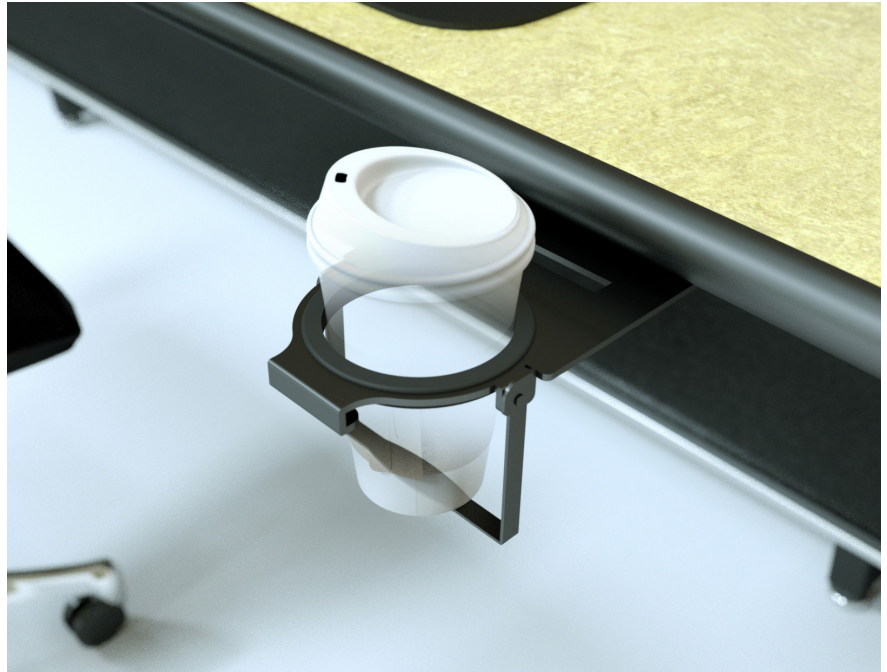

Cold rolled steel, black powder coat finish standard. Silver powder coat available by special order. (AC-CUP1)

Designed to work with all TBC products.

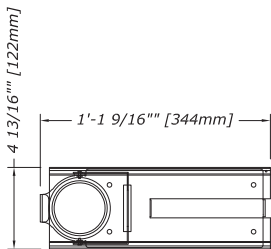

FEATURES:

Works with cups up to 3" dia. (76.2mm)

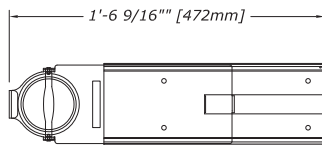

Includes hardware kit for mounting under the countertop of your TBC product or generic mounting screws if otherwise specified.

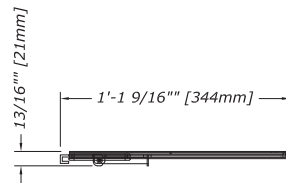

Cup Holder folds and retracts in one motion to store neatly under the desktop in a sleek, low-profile design. Simply push in the front tab, and the bottom support strap folds up automatically.
